**Convention Memorabilia:** There will be shirts, mugs and other interesting and collectable memorabilia available throughout the convention.

**TRADITION THREE:** The only requirement for C.A. membership is a desire to stop using cocaine and all other mind-altering substances.

Many people come to Cocaine Anonymous thinking one of two things: "I rarely (or never) even used cocaine. I don't think I belong here," or "What exactly does the 'and all other mind-altering substances' part mean? I came to Cocaine Anonymous because cocaine had become a problem in my life."

Some of us never even used cocaine. Some of us used a variety of drugs, and for others it was combining cocaine with alcohol and/or other drugs that got us into trouble and made our lives miserable. Many of us rode drug roller coasters; there were drugs to come down with, drugs to go up with, and drugs to mellow out with.

At some point we finally realize that we cannot control our use of any mind-altering substances. The problem isn't the drug of choice; the problem is the disease of addiction. With its Third Tradition and all-inclusive First Step, Cocaine Anonymous welcomes anyone with a drug or alcohol problem and offers a solution.
